## experience art in new & relevant ways

**permanent collection**  
The Cincinnati Art Museum features an unparalleled art collection of over 65,000 works spanning 6,000 years of human history. The acclaimed Cincinnati Wing showcases the rich cultural history of the Queen City with over 400 works by local artists.

**special exhibitions**  
The Art Museum hosts multiple traveling exhibitions each year, allowing visitors to connect Cincinnati's own renowned permanent collections with art from around the world.

**educational opportunities**  
Learn from a range of educational programs: Wee Wednesdays and Culture Kids are both programs designed just for preschoolers. Family First Saturday and the Rosenthal Education Center provide a great way for families of all ages to explore hands-on activities and art making. All of which compliment a robust schedule of adult programs and lectures.

## share, conserve, enhance, educate

Members of the Founders Society support the Art Museum each year with an unrestricted gift of \$1,500 or more (\$750 for ages 21-39). The combined impact the generosity of this society has on those who visit the museum is immeasurable. Each year, gifts are immediately put to use:

- Sharing special exhibitions with the citizens of Cincinnati.
- Conserving priceless works within our collection.
- Enhancing our historic home in Eden Park.
- Educating the public through arts programs for all ages and physical abilities.

## network and socialize

In addition to the impact they make on the museum and community, members of the Founders Society enjoy special benefits that allow them to network and socialize with one another, experience first access to special exhibitions, travel with the Art Museum Director and much more (listed to the right). It is a truly special group of supporters with members who range from everyday lovers to some of Cincinnati's top leaders in business and philanthropy.
