

# Wee Wednesday

Bugs and Flowers

April 24, 2019

10:00 a.m.–12:00 p.m.

Welcome to a day to celebrate bugs and flowers! This month we will learn about the sights sounds, smells and movements of nature all around us. We will honor our tiny bug and flower friends with sorting and counting activities, hands on play, and by making bug or flower crowns to show our love for nature's bounty.

## Making the most out of your Wee Wednesday experience:

- Avoid travelling in groups for a more personalized experience.
- Our stops are designed for a few families to enjoy at a time. If a stop is crowded, try visiting another stop first and come back later. Stops can be enjoyed in any order!
- Hold your child's hand while walking through the galleries. This will help them remember to stay at least 3 feet away from all artwork.
- If you need to take a snack break, food and drinks can be enjoyed in the Main Lobby and the Great Hall, but food and drink are not allowed in the galleries or the Rosenthal Education Center.
