

Donate to the Bus for Kids Fund and support art education for students.

In 2005, Georgine Wolohan, with the help of her fellow docents, established the Cincinnati Art Museum Bus for Kids Fund. The fund aims to provide students with free transportation to the museum for a docent-led tour.

Thanks to the generosity of these museum volunteers, students from across the Tri-State region have experienced world-class art on school field trips, with many discovering the museum for the first time.

To continue the program's vital work and ensure its future success, please consider supporting the Bus for Kids Fund.

Connecting Students to Art

OUR MISSION

To promote educational equity by providing transportation support that connects underserved students with enriching museum experiences—sparking curiosity, inspiring learning, and broadening their understanding of the world.

What's included in a museum visit?

Free round-trip
bus transportation

Engaging
60–90 minute
tours

Grade-appropriate
curriculum and
teaching resources

“My students always love this field trip. Most of them have never been to an art museum before and they are always fascinated with the experience. The docents are excellent at engaging the kids and providing a lot of information!”

Free. Engaging. Accessible.

Who can participate?

- All grade levels, K–12
- Public, private, and charter groups
- Schools within the designated service region
- Schools with 25% or more of its students qualifying for free or reduced lunch

Why a field trip to the Cincinnati Art Museum?

- Build creativity, critical thinking, visual literacy, and social-emotional skills
- Explore original works of art through inquiry and discussion
- Experience hands-on, real-world learning outside the classroom
